**Important to Note:**

\* Reading and Writing HSPEs will be available to 11th and 12th graders who have not met their graduation requirements in spring and summer 2015, and to 12th graders in spring and summer 2016.

\*\* EOC exams are based on previous Washington State Learning Standards in math. EOC exit exams are based on updated Washington State Learning Standards (Common Core), beginning in school year 2014-15.

+ The Washington State Board of Education will set the exit exam cut score. The Smarter Balanced Assessment Consortium will set a college- & career-ready cut score that will be used for accountability in 11th grade. If a 10th grader meets the college- & career-ready cut score, he or she will not have to take the Smarter Balanced ELA test in 11th grade.

++ Until Next Generation Science Standards (NGSS) are implemented and assessed, students will be required to pass the biology EOC. After NGSS are implemented and assessed, students will be required to pass a comprehensive NGSS Test. The timeline for NGSS is being developed.
