Other notes:

- Camas published a list of repair/replacement costs
- Require police report if stolen (some within 24 hours of theft)
- Most say they don't want the case back after the term
- Washougal say they are losing a little each year with covering repairs.

Current costs:

- New screen ~\$50, new keyboard ~\$25.
- Spending about \$1,500 per year per building (MS/HS) on repairs, no loses as they aren't take home at the moment.
