
Grading and Progress Reports

Online Progress Reporting

In an effort to provide timely communication and feedback to students, parents and other school staff (for purposes of athletic eligibility, remedial support, enrichment support, etc.), the District shall employ an online grading system that is electronically accessible through the internet. Teachers are expected to maintain and update scores in this system on a regular basis. At a minimum, teachers shall update and post grades on a weekly basis, or more frequently, as determined at a school building level.

Grading System

The grade point averages for grades 7-12 shall be calculated in the following manner:

- A. Each student's "grade point average" shall be the sum of the point values, of all the marks/grades received for all courses attempted divided by the sum of the credits for all courses attempted. The grade point value shall be calculated by multiplying the numerical value of the mark/grade earned by the number of credits assigned to the course.
- B. The numerical value of grades are:
- | | |
|--------------|--------------------------|
| 1. A = 4.0 | 7. C = 2.0 |
| 2. A- = 3.67 | 8. C- = 1.67 |
| 3. B+ = 3.33 | 9. D+ = 1.33 |
| 4. B = 3.0 | 10. D = 1.0 |
| 5. B- = 2.67 | 11. F E = 0.0 |
| 6. C+ = 2.33 | |

The minimal passing mark/grade is D = 1.0. Pass/fail, credit/no credit, and satisfactory/unsatisfactory marks may also be used. These non-numerical marks/grades shall be clearly identified and excluded from the calculation of grade point average.

- C. Marks/grades for each course taken shall be included in the calculation of grade point averages. Only the highest mark/grade for a class/course taken more than once to improve a mark/grade shall be included in the calculation of grade point averages. Marks/grades for recurring classes shall all be included in the calculation of grade points. Grade point averages shall be rounded to two decimal places and reported for each trimester/semester or other term and for the cumulative credits earned for all courses attempted in high school.

High School Class Status

A student enrolled in the high school shall be considered a freshman until they have completed 5.5 credits; and,

A sophomore until they have completed 11 credits; and,

A junior until they have completed 16 credits; and,

A senior until they have met all graduation requirements.
